## President's Message

Welcome Members!

Come this April, we will begin our 95th year of operations as Ould Newbury Golf Club. All of us on the Board of Governors thank you, members old and new, for your support in these difficult financial times. We are all working hard to keep ONGC on a sound financial basis. The economy has hit the golf industry hard the last few years. Course closings and declining membership rolls are being felt throughout the country.

But, I'm optimistic. We have an outstanding Board: smart, hard working people who truly care about the Club. Our top-notch superintendant, Nate Walker, and his crew are doing their very best to keep playing conditions up while keeping costs down. KC Cargill and his staff in the Salt Marsh Grill will continue to improve/redefine the menu and offerings at the Club. Please support their efforts.

New members, visit with Jim and Judy Hilton in the Pro Shop early in the season. They will help direct you, explain and show you how to get the most enjoyment from your membership. Get involved. Join the leagues. Play in tournaments. Make new friends...

Help us in our membership efforts. "Talk up" ONGC with friends, fellow employees, relatives and such. Bring someone who may be interested in joining early in the season to play. The course will sell itself with a little help.

I want to thank former President, David Leary and Vice President Roger Fuller for their outstanding contribution to the Board of Directors and to the club. Through their personal efforts, Ould Newbury has stayed the course during their tenure.

I had the pleasure of serving as Green's Chairman for the past 26 years. As President, I look forward to helping Ould Newbury return to its roots when we opened the doors in 1916. We were and are a "member's golf club." Enjoy.

*Sincerely,  
Ken Petrucci  
President*

## History

Ould Newbury Golf Club (ONGC), a nine-hole, semi-private club, was officially opened for play on Labor Day, September 4, 1916.

Under the leadership of Benjamin Pearson, Dr. Charles S. Ingham and Joseph Dummer, 60 acres of land were leased from The Governor's Academy (formerly named Governor Dummer Academy) and in 1915, with a fund of \$10,000.00; construction of the golf course began.

The first officers of Ould Newbury were Rev. Wilfred L. Hoopes, President; Fred M. Ambrose, Vice President; Henry C. Learned, Treasurer; and Henry F. Cole, Secretary. A Scottish architect/golfer, Jim Lowe, under whose direction the course was laid out and built, was the first professional at Ould Newbury. He was succeeded in 1935 by Peter Moran, who was followed in turn by Ralph Beach, John MacGregor, John MacDonald, Walt Greus, Alex Burns, and our current professional, Jim Hilton.

## Operation of the Club and Philosophy

The club is operated by members of the Board of Governors, who chair various committees and oversee the day-to-day function of the Golf Pro, Course Superintendent, and Clubhouse Manager.

The club officially opens for golf around the second week in April and closes around November 15<sup>th</sup>. The public is permitted to play golf on weekdays, but must play with a member, as a guest, on weekends and holidays. This privilege is allowed only once per month per individual.

The basic philosophy of Ould Newbury is to provide as complete and enjoyable a golfing experience as possible while also trying to maintain a dues level that encourages membership in the club. We welcome all golfers and strive to provide activities for all levels of play.

## Golf & Cart Fees and Regulations

The course is open to the public on weekdays only. On weekends and holidays, a non-member must play as a guest of a member. Guests of members are allowed golfing privileges *once* during a calendar month.

Cart Fees - Members	\$24.00	\$15.00

## The Pro Shop and the PLAN

The Pro Shop, operated by Jim & Judy Hilton, contains a full line of quality golf equipment and clothing. In addition to the shop, Jim offers lessons on both an individual and group basis. We all strive to better our games and there is nothing like taking a lesson from our PGA Professional to move your game to the next level.

Jim is also an integral part of Tournament Committee and Handicap Committee, and he administers the golf cart program. He is always glad to help you with both of these, as well as helping you in meeting members and arranging matches

You are cordially invited to join the Pro Shop PLAN. The PLAN is a special incentive program set up in the Pro Shop that will save you money on all your golfing needs; including but not limited to balls, shoes, clubs and clothing. The PLAN applies to all purchases made from April through October. As a member of the PLAN, your cost for all merchandise purchased in the Pro Shop will be 20% over our cost.

### Examples of your savings are:

If there are any questions, please stop by our PRO SHOP and we will be glad to answer them.

The PLAN is set up for all our members and we hope that you will take advantage of it.

*Jim & Judy Hilton*

## Handicaps

The USGA requires that each golfer turn in a scorecard that is properly filled out using the ESC (Equitable Stroke Control) System. It must be properly signed and attested. The only scores exempt from the handicap system are:

- Any round of golf fewer than 13 holes, although 9-hole scores are posted
- Scramble scores
- Tournament scores in which the number of clubs is limited

All other scores must be posted, including match play and Fourball scores. Members are responsible for posting scores on the MGA computer system located near the Pro Shop. Members who are unsure of how to use the USGA Handicap System, or who need instruction on how to fill out scorecards, should contact a member of the handicap committee for clarification. Those members are also invited to ask our PGA Professional who is always available to help.

## Golf Groups

There are a number of golfers at Ould Newbury that play regularly throughout the week. These groups welcome additional players and wait until the day of play to select captains and teams. There is a 7:00 AM group on Saturday and Sunday. During the week, there is an early morning group at 7:00 AM on Mondays, Wednesday, and Friday. To join one of these groups, show up 15 minutes before the designated time and make sure the organizers know you are available. Jim and Judy Hilton, in the Pro Shop, can introduce you to the group organizer.

## Hole-in-One Insurance

Hole-in-One insurance is available through the Pro Shop. Cost is \$5.00 and covers players from April through October. The payoff is \$75.00 to buy your friends a drink in celebration plus an additional credit in the Pro Shop of \$75.00. Contact Jim or Judy for more information.

## **Entertainment**

The opening party will be held on May 15<sup>th</sup>, 2010. It is a great opportunity to see old friends and meet new members. The closing party will be held on October 23<sup>rd</sup>, 2010.

In addition to these events, there will be other social gatherings planned such as cookouts and parties in conjunction with various mixed tournaments. Everyone is invited to come and have fun, whether or not you play golf.

The Entertainment committee is always looking for new ideas for events. Please contact the committee with your suggestions.

Rick Page will host the annual, and ever popular, Grub and Grog tournaments. They are a great way to spend an evening with golf, dinner, and dancing. Check the 2010 schedule for the dates.

Requests for private parties should be directed to KC Cargill.

## **Salt Marsh Grille**

At the beginning of the 2009 season, Ould Newbury welcomed Kerry "KC" Cargill as director of the newly opened "Salt Marsh Grille." The Salt Marsh Grille was established to offer members and general public a new and diverse culinary experience at the club. With his extensive experience and creativity, KC brought to Ould Newbury an exciting array of food and beverage, and the first season was an overall success.

Not standing still, the committee formed to oversee this project has been working closely with KC to take what was learned from the past season and develop a plan to take it to the next level. Their mission is to better serve the members and make the Salt Marsh Grille more appealing to the general public. They are very excited about the future and encourage all members to support this endeavor.

## Ould Newbury Club Policies

### Conduct Befitting a Member of ONGC

The mission of the Ould Newbury Golf Club is to provide a fun and enjoyable environment in which all members can play social and competitive golf. In addition, all members should feel comfortable participating in all social activities of the club.

It is therefore the duty and responsibility of all members to conduct themselves in a manner that is not detrimental to the club. Each member is asked to remain respectful of his or her fellow member or competitor at all times. Members are expected to behave in a manner befitting the game of golf both on and off the course.

Members will treat the staff with proper respect. If a member has an issue with an employee, he/she should address their concern with the chairman of the committee responsible for that staff member.

Obscene, profane or abusive language should not be used in situations that can offend fellow members or competitors.

Throwing clubs or willful damage to the course will not be tolerated. Any reported incident of club throwing or willful damage to the course will result in an investigation and if found to be true, the offending member may receive a written warning depending on the specifics of the incident and may be disqualified from the day's event. Any further infraction subsequent to the written warning may result in the club revoking his or her membership without refund.

Members should be aware that any act causing physical harm to a fellow competitor or to the course could result in their personal liability. In addition, a verified incident of a member causing harm or injury to a fellow member or guest will result in immediate dismissal from membership without refund of fees paid.

### Smoking

The Ould Newbury Club House has been designated a **No Smoking Area**. The Clubhouse includes all areas attached to the building including porches, decks and stairways. We encourage all members to have respect for all fellow members and abide by this rule.

## Coolers

Personal coolers containing alcoholic beverages are prohibited from club property. Easy access to the clubhouse and a beverage cart are provided on most days and should be supported by members and guests of the Club.
